

2011-2012 ALL-STAR CHEER SPONSORSHIPS

*Southern Ohio's Premier All-Star Cheer & Dance Program
Building Champions with Integrity!*

Legacy Xtreme All-Star Cheer & Dance is the area's premier All-Star competitive cheerleading organization with teams for all skill levels and ages including Special Needs.

Our goal at Legacy Xtreme is to train our athletes in physical development and to acquire the skills necessary to excel in competitive cheer, competitive dance, tumbling, stunting, and flexibility. Our mission is to equip and empower them to serve as leaders in communities, to be role models, and to inspire and encourage other athletes. We will strive to teach our athletes the value of hard work, dedication, commitment, and integrity. We will provide an encouraging and positive atmosphere where each athlete is treated with courtesy and respect and where our athletes are encouraged to treat their competitors in the same way.

As with most competitive sports, there are many costs associated with a positive and successful season including uniforms, camps, choreography, travel, gym fees, and competition fees. The Legacy Xtreme Boosters, a non-profit organization, is seeking sponsors to help offset these costs for these young people to pursue their ambitions and development in competitive cheerleading and dance.

Your sponsorship would be greatly appreciated!
